

June

Grades five and six visited the Baltimore Harbor, the National Aquarium and historic ships docked in the harbor.

The band and chorus attended the High Notes Music Festival and gave wonderful performances. They also had fun at Hershey Amusement Park. Great job and thank you, Mrs. Bridge, Mrs. Henrich and all our parent chaperones!

Congratulations to Miss McCorristin and her team on earning 635 points with *AtlantiCare's "Turn Your School Wellness into Wealth Program"* for the 2015-2016 School Year.

Pro Hockey prospect, Sam Morin, visited Mr. Terry's and Mrs. Gilhooley's fifth grade math class. Sam shared his personal life story. The students were surprised to learn that he left his home at age 15 to play ice hockey full time. They had fun completing a measuring project, discovering that Sam is almost 6' 8" tall. Mrs. McCrossin was kind enough to send each student a class picture signed by Sam. Thank you.

Mr. Terry's 8th Grade Financial Literacy Class participated in the Virtual Stock Market Game sponsored by SIFMA (Securities Industry and Financial Markets Association) and won 1st Place out of 296 teams in the Middle School Division. They were recognized at a luncheon at Stockton University.
